

# STOLEN IDENTITY

## RED WINE california

### ARTISAN WINEMAKING

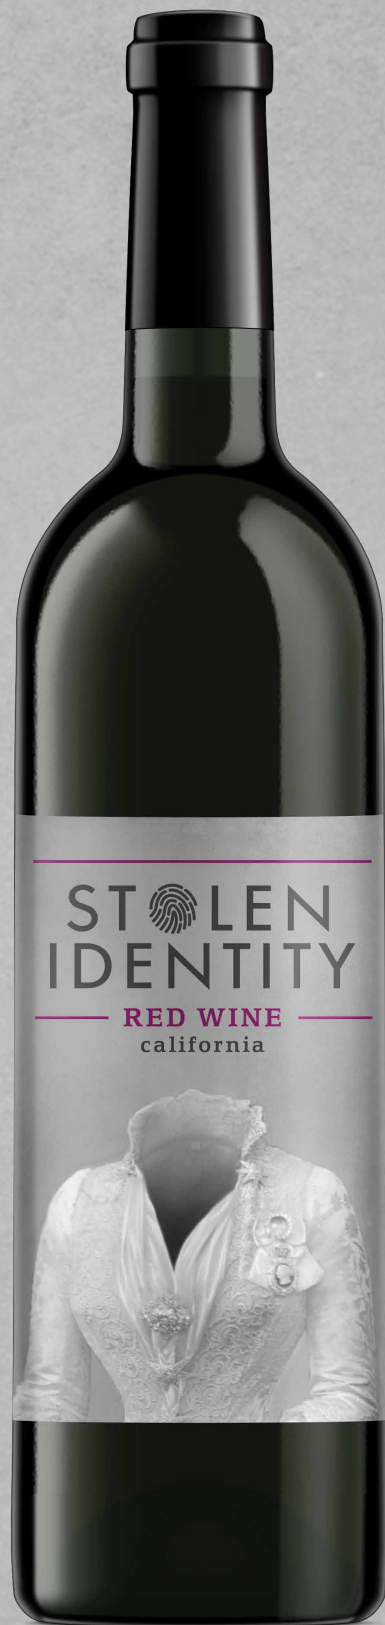

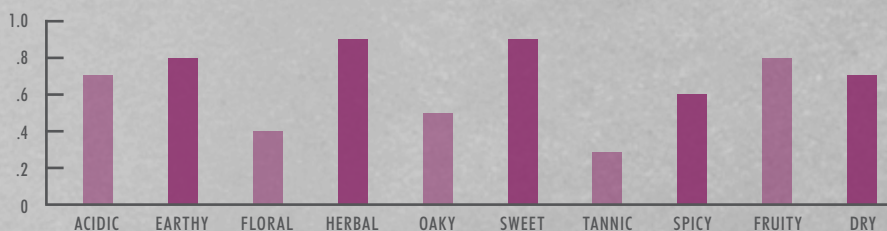

It's not an illusion. Stolen Identity wines capture the quintessential characteristics of their varietal in ways you must taste to believe. Become spellbound by our handmade blends, produced using small-lot fermentation, native yeast and the extra care required to purely express the classic taste and terroir of their region.

### WINEMAKER NOTES

This Red blend is sourced from vineyards ranging from the Central Coast to Mendocino County. The fermentations were classic cap-managed to extract as much fruit density as possible, then coupled with full malolactic fermentation to yield wines that became more than the sum of the parts when blended.

### TASTING NOTES

This California Red Blend is a dark, dense, extracted and rich wine that will warm the soul. With bold flavors, it displays concentrated dark coffee, blackberry fruit, chocolate and toasty oak aromas. The finish is round, warm and rich.

VINTAGE: 2014

ALCOHOL: 15.1%
