Rosé

Oregon - 2017

ARTISAN WINEMAKING:

Rascal wines are sourced from great vineyards all over Oregon. We partner with the vineyards to ensure sustainable farming methods and the highest quality grapes. At the winery all wines are produced using traditional methods that highlight the uniqueness of the vineyard and vintage. Our goal is to produce wines that over deliver quality at a consumer friendly price point.

WINEMAKING NOTES:

Our 2017 Rose is produced using the traditional Saignee method. After 24 hours of skin contact, Pinot Noir juice was bled off the fermenters and fermented in stainless steel tanks. A slow, cool fermentation was used to preserve the delicate flavors and aromas. The end result is a delicious and balanced Rose that will leave you coming back for more.

TASTING NOTES:

Light and pink in the glass, clean aromas of fresh cut strawberry and watermelon burst from the glass. Lime zest complements the bouquet and provides acidity against the palate of raspberry. A touch of sweetness fills the mid palate and finishes clean.

ANALYSIS:

Alc: 12.6%, pH: 3.6%, TA: 5.9 g/L, RS: 5 g/L
